

BOATER KIT AGREEMENT

(Maximum of 42 Boater Kits per order)

I _____ of _____ would like to order _____ Boater Kits
(First and Last Name) (Marina/Yacht Club/Organization) (Enter #)

and I understand that by ordering the Boater Kits I agree to:

1. Have a 20 minute training talk with the Keep the Delta Clean (KDC) Staff to learn about the Boater Kits and the messages associated with each included item.
2. Personally distribute the Boater Kits. In doing so, I will conduct face-to-face boater education with each Boater Kit recipient including reviewing the items within the kits and their messages. I understand that it is important to ensure the Kits are delivered in a way which will promote environmentally sound and safe boating. (If another person is going to distribute the Kits, they must also first have the 20 minute training talk with Keep the Delta Clean Staff.)
3. Collect one boater survey from each Kit recipient and return all collected surveys to the Keep the Delta Clean Program. (The survey return information will be provided with the Kits. The State Water Board tracks our survey return rate. These Kits have a high cost to the state and need to be treated as such. The survey data collected will allow Program staff to better understand Delta boater practices and continue to improve future education, outreach and pollution prevention efforts.)

Signature: _____ Date: _____

Note:

- You are welcome to order more Kits once the completed surveys are returned to the KDC Program.
- The KDC Kits are region-specific and not appropriate for distribution outside of the Delta. Delta counties include: Alameda, Contra Costa, San Joaquin, Solano, Sacramento & Yolo.
